November 18, 1922. Continuing on the above matter, Operative reported at the plant of the International Motor Co., at New Brunswick, N.J., for work at 7 a.m.

Operative, through the efforts of the Foreman, Mr. Utsinger, was assigned to some work in the shaping department on the second floor, so that Operative might seek conversation with Mr. Easton.

Mr. Easton is described by Operative as being an old man with white hair and wearing glasses, very neat appearing.

Operative was unable in any way to draw Mr. Easton into any discussion concerning the Hall-Mills matter.

Upon quitting work at 12 o'clock noon at the plant, Operative proceeded to his room, washed up and changed his clothes. Operative then proceeded about town, spending periods of time at the railroad station and in the vicinity of George & Albany Streets.

Operative discontinued operations at about 11 p.m.

Other than as above mentioned, Operative has nothing of importance to report.
